

STAMPIN'
UP!

Annual Catalogue

MAY 2024–APRIL 2025

there's meaning in small moments

Think about what happens when you catch a glimpse of a friend's smile from across the table, laugh with them until your stomach hurts, or get a hug when you need it most. These experiences fill us with joy.

Stampin' Up! is here to help set the stage for happy moments to happen naturally and more often. Our demonstrators have been bringing people together for over 35 years and we know that those creative experiences foster friendships that build community.

The pages that follow are filled with products . . . opportunities to create meaningful moments and experiences to share with others. We hope it's easy to find what you need—any time. Maybe it's a Step-by-Step project, where everything's ready for you to jump right in with a friend. Or perhaps you have a larger gathering and need Quick & Easy options you can mix and match with essentials. Or you might want to craft the day away with Creativity Your Way to make something special with someone special.

In the same way joy is multiplied through connection—making something is more meaningful when you share it. It's almost as if you send a piece of yourself when you send a card—it becomes a hug with a fold in the middle. And when you craft with friends to learn a new technique, you also enjoy lasting memories. It's times like these when we build community.

Come along with us and embrace the moments that make you happy as we create meaningful experiences, connection, and community.

stamp & SHOUT!

Stamps are our bread and butter—we just can't get enough of them! Whether you use photopolymer or cling, each image you ink and press onto your paper will come to life with our carefully designed and artfully detailed stamps.

Cling

Our red rubber cling stamps are a great choice for getting sharp, detailed images on your paper crafts.

Photopolymer

Photopolymer stamps are the best way to get precise placement, every time. The transparent design makes it easy to line up your stamp exactly where you want.

double PLAY

Clear Reversibles stamps have images on both sides for more artistic options! Use one side by itself or layer it with the other side. You can see through them, making placement easy.

colour theory

We love colour! But we love it even more when it just works. So, what's the secret? You could say that how we mix, coordinate, and contrast colour makes all the difference. We put together this colour wheel to show the relationship between the colours that we love so much.

Be a colour explorer!
What new colour combinations will you try?

monochromatic

Just starting out? Choose one colour that you love and pair it with shades and tints of that same colour. Your colours will always match!

PETAL PINK + CALYPSO CORAL

LEMON LIME TWIST + GRANNY APPLE GREEN

HIGHLAND HEATHER + GORGEOUS GRAPE

complementary

You know what they say—opposites attract! Try pairing colours that are opposite each other on the colour wheel to create a fun, bold contrast.

CAJUN CRAZE + COASTAL CABANA

LEMON LOLLY + BUBBLE BATH

GARDEN GREEN + FLIRTY FLAMINGO

analogous

Choose three colours that are side-by-side on the colour wheel. These colour neighbours work together wonderfully to create harmony and balance.

REAL RED + CALYPSO CORAL + PETUNIA POP

BLUEBERRY BUSHEL + SUMMER SPLASH + OLD OLIVE

AZURE AFTERNOON +
BLACKBERRY BLISS + FRESH FREESIA

triadic

Craft with colours that are evenly spaced around the colour wheel. Go beyond the primary colours (red, yellow, and blue) for something unexpected!

SUMMER SPLASH + PEACH PIE + BERRY BURST

BLACKBERRY BLISS + COPPER CLAY + MOSSY MEADOW

FRESH FREESIA + WILD WHEAT + PRETTY PEACOCK

This catalogue is full of colour inspiration. What will you create?
Use #StampinUp on social media to share your colour creations with us!

stampin' write markers

Stampin' Write markers have a brush tip for colouring and a fine tip for writing and details.

cardstock

Classic, heavyweight cardstock is dyed all the way through, so you won't see any white edges when you cut or tear, except on Basic White. 24 sheets (except where noted otherwise).

classic stampin' pads® & ink refills

Flip-open, stackable Classic Stampin' Pads store ink upside down on 2-5/8" x 3-1/2" (6.7 x 8.9 cm) firm foam. Ink is fast drying, dye based, and acid free. Refills are available separately. Refills: 0.5 fl. oz. (14.8 ml) each.

colour COLLECTIONS

Our colour families are designed to help you craft with colour confidence. And maybe try something new!
